Happy February!!

Hard to believe we are in month number 2 for year 2011! Time really seems to fly by when you're having fun! Another month or so and our current ice season will be over.

Play downs and State tournaments are right around the corner – what can we do to help our kids? Make sure they get plenty of rest and eat healthy food! Encourage them to play their best and try their hardest. Good luck to everyone!

Rink Cleaning Weeks

Reminder to all WSHA members – each **team** is responsible for certain weeks to clean the rink. This should be a team effort, and everyone should try to make a point of stopping up some time during your team's week to help clean, regardless of how many work hours you may already have in. All of our kids use this rink more than a few times each week, so it's everyone's job to help keep the rink picked up and clean. It only takes a few minutes to pick up a broom and sweep around the bleachers, or to grab the shovel and make sure the sidewalk is clear. Let's set a good example, not only for our kids, but for everyone in the association. Thank you very much!

Fund Raising Ideas

We are currently looking for any new ideas anyone may have on how the association can raise funds. We are trying to watch how many times we ask our local businesses to donate or sponsor – we do not want to burden them. If there is anyone who has anything new to bring to the table, please bring your idea to the next meeting, or let any Board member know. Your idea could be the next big fund raiser!

Calendar Raffle Winners

No names drawn due to collection of new year calendars.

By Law Submittals

Anyone wishing to submit any changes to the Associations current By Laws, you must do so by the end of the March General membership meeting.

Welcome to the West Salem Hockey Association!
We hope you find us a fun group and that your kid(s) have a great time on the ice. We are all here to help, so if you ever have any questions, please don't hesitate to ask a parent around the rink, or contact any of the Board members listed at the beginning of this newsletter. We can also be found on our WSHA website.
