Spring is well on its way; the tulips have come and gone, almost as quick as another hockey season! Summer will be here before we know, and with that will come new opportunities for our kids. Some will be attending summer hockey camps or clinics, while some will do baseball or swimming. No matter what summer may bring, take time to enjoy the moments with the kids as another Wisconsin winter will be upon us before we know it.

There are also opportunities throughout the summer for achieving work hours. The June Dairy Days Parade is June 4th, WSHA will be bartending in the beer tents, The Annual Fox Hollow Golf Outing and our first "Face Off" Event are other opportunities as well. These are not only events that you can volunteer at and receive work hours, but it is an excellent opportunity for our association to raise money and "recruit" new skaters as well.

Please take a moment to look at our website. Under contacts...then Board of Directors, there has been a lot of new information added. Thank you to all that helped with the new additions! This will be especially handy when new or upcoming parents need information, or just to have a refresher course.

Please do not hesitate to contact any of the Board Members for questions or information.

I also would like to take a moment to "introduce" myself...Robin Komay, your new secretary. Thank

you for your votes; I greatly appreciate the opportunity to serve not only the West Salem community, but to help our kids. My husband Dave and I have been in the association since our oldest son Zion, first played in 2006. Since then our youngest, Hunter has taken the sport under his wing and as of this last season was a Mite A. We recently moved to West Salem in the summer of 2010, and could not be happier with our decision. We all truly love hockey and my heart is really in it, not only for my son, but for the sport itself, the kids involved, and for the association. We look forward to many years of hockey, and only improving and growing as an association. Thank you, I look forward to being your new secretary!
